## NEW ON TAP:

### 20th Anniversary Ale

Our 20th Anniversary Ale will be a flavour celebration featuring some of our favourite malts and hops we have used during our long history of providing great craft beer to Singapore. Starting off with intense floral, citrusy aromas, then followed by a clean, herbal and resinous hop bitterness, it will be hoppy without being a hop bomb. A strong malt backbone will balance out this beer the only way our brewers, with a combined 50 years experience, know how. It's a big beer meant to celebrate a big year. A milestone for us, but a landmark for Singapore craft beer.
