Singapore, 3 February 2021 - Brewerkz, Singapore's original craft brewery, launches their new kids' menu with refreshed favourites and innovative twists to classic dishes. Designed to make family-time even happier and healthier, the homegrown craft beer and restaurant brand introduces a new dining experience for young ones.

The restaurants' new offering keeps the young palate in mind and serves up a new spin on popular menu items like the **Mac & Cheese Cubes**, bite-sized macaroni and cheese croquettes served with marinara sauce and topped with candied bacon, **Pulled Beef Mantou Sliders**, a

flavour-packed, crunchy and tender rendition of the beef burger, and **Grilled Chicken Skewers**, a medley of chicken, sausage in honey soy marinade, cherry tomatoes and pineapple.

Other delights include the all-time favourite **Fish & Chips**, made with hake for a softer and juicier mouthfeel, and the **Pork Floss Pizza**, a lighter meal option featuring mozzarella cheese, pork floss and Japanese mayonnaise. Each main course is served with a choice of drink and dessert, plus a token for a spin on the capsule toy machine. Even the dessert and drinks are given the healthy treatment as Brewerkz brings in new beverage options like Yakult, and the **Traffic Light**, a fruitjuice popsicle that offers young diners a healthier choice for their complimentary dessert.

"Parents always want children to eat healthier, and incorporate more vegetables and fruits into their diet - mostly to children's disdain. A meal out should always be exciting for kids, and we

want to show our young diners that nutrition-packed vegetables and fruits can be delicious and fun too,” says **Chef Seow Tzi Qin, executive chef of Brewerkz**. “When developing this menu, I focused on what children like to eat and what parents would like to feed their children. I even tested the menu with a panel of young foodies! I guess you can say this is “for kids, by kids”.”

In addition to ending the meal on a sweet note with dessert, Brewerkz also specially procured capsule toy machines filled with mystery gifts such as stationery and figurines, giving each young diner a free turn.

The new kids' menu is available at all Brewerkz outlets in Singapore: Riverside Point, One Fullerton, Indoor Stadium and Orchard Rendezvous Hotel.
