

## BREW ERKZ is Singapore's Most Awarded Brewery at Asia Beer Championship 2021

**Singapore, 16 November 2021** – Brewerkz, Singapore's longest running craft brewery, continues their 24-year-long award-winning streak and clinches multiple awards. The brewery has won a total of five [2 Gold, 1 Silver, 2 Bronze] medals at the prestigious Asia Beer Championship 2021, the most out of all the breweries from Singapore.

Into its fourth year, the annual Asia Beer Championship is judged by a panel of experienced professional brewers and accredited Beer Judge Certification Program (BJCP) certified beer judges, ensuring expert assessment of all the beers entered into the Asia Beer Championship.

This year, the competition attracted a total of 367 beer registrations from 80 breweries spanning across 15 countries represented at the Championships. Brewerkz was among the eight entries from Singapore that held their own against some of the best brands in the region vying for the title. The award recognizes those who impress and innovate within the craft brewing industry and had the beers competing in 32 independent categories.

Brewerkz accredited winning beers are:

- Mildy Dark Mild – Gold Medal, Dark/Brown Ale
- Rye in Peace – Gold Medal, Porter
- Smoked Rye Dunkel – Silver Medal, International Dark Lager
- Yellow Submarine – Bronze Medal, Sour Beer
- Deer Kick – Bronze Medal, Stout

Separately, three of Brewerkz's beers were also chosen and awarded the prestigious "Chairman's Selection" accolade denoting its distinctive high quality.

- Circuit Breaker New England IPA – New England IPA
- DCT – New England IPA
- Black-T – Spice/Herb Flavored Beer

"We are humbled to receive these awards. They are an affirmation of our hard work and effort to keep innovating and creating high quality craft beers" says **Mitch Gribov, Head Brewer of Brewerkz**. "This has been a real team effort and we cannot wait to show our fans the pipeline of beers that we have coming up."

These awards built on a series of other awards that Brewerkz has also garnered in recent international competitions. They include the acclaimed Brew King 2021 – Singapore, London Beer Competition 2021, Best Brewer in Singapore by RateBeer 2021, Best Design (Pandemic Related) by Craft Beer Marketing Award 2021.

From its roots being established in 1997, Brewerkz is still championing its effort for the local brewing industry today. The brand is increasing its effort to develop even more award-winning artisanal craft brews alongside their current perennial favourites in 2022 and beyond. As an independent brewery, Brewerkz seeks to constantly develop, advance and innovate in hopes of making a contribution to the ever-growing craft beer movement and local craft brew community in Singapore.

The winning beers are now available or will soon be made available at Brewerkz outlets in Singapore and Brewerkz estore. Please check our website or social media feed for more information.

### **About Brewerkz**

Brewerkz kick-started Singapore's craft beer story in 1997. Bringing full-flavoured fun to the local indie beverage scene, the constant flow of tasty experimental beers is a product of their love for exploration and a passion for the artisanal craft. As a true original, this home-grown brand is dedicated to creating exciting experiences to tickle the senses of craft beer lovers anywhere in the world.

Brewerkz operates multiple restaurants, a 9,000 sqft standalone brewery, brew and distributes an extensive line-up of craft beverages, and have a strong presence at major at large scale outdoor events.

Brewerkz, a Made With Passion brand, is part of the Easy and Light Group which owns Crystal Wines, distributes Fiji Water and operates a portfolio of Mexican and Japanese restaurants.
