OUR CRAFT BEER

Brewerkz is the pioneer and the leader in the local craft beer scene.

Our beers win awards, year after year, not just in Singapore but around the world.

We have a constant flow of craft beer styles (over 40 each year!), from Triple NEIPAs, for the serious connoisseur, to Lychee Pale Ale, for those who just wants it lighter.

We have something for everyone!

OUR FOOD

Our food is a melting pot of modern European, classic American and Asian favourites.

We focus on flavors infused with local touches, bringing it together via seasonal and sustainable produce.

Our dishes are infused with craft beer and brewers' spent grain for that extra flavour, texture and oomph.
