Located in a stunning location in the mall, separated by a link bridge, the restaurant overlooks the Alkaff Lake, offering patrons a picturesque view of the lake and the adjacent wooded Heritage Walk, a green spine lined with lush foliage.

The design-driven interior features a blend of natural materials, such as wood, marble, copper, and terracotta, to create a warm and sophisticated atmosphere. Turquoise panels, blue and white glazed floor tiles and distressed walls decorated with Brewerkz' s upsized beer artwork, adding a fun element to the restaurant. Combined with the brightly lit interior and large windows which flood the place with natural light, the space is contemporary, modern, warm, and welcoming.

## THE FOOD

For this restaurant, **Group Executive Chef Seow Tzi Qin (TQ)**, has created a range of new and exclusive dishes, such as the **Pulled Beef Mantou Burger** with curly fries, which features beef short ribs that have been slow cooked for hours in a delectable blend of spices, sandwiched between a house-made crispy mantou burger bun. Another highlight is the **Stuffed Berkshire Pork Rack**, which is complemented by a lemon mustard sauce and five onion chutney. This dish is accompanied by Jamon-wrapped asparagus, and the five-onion chutney provides a sweet and tangy contrast to the moist pork rack.

The fresh seafood is carefully prepared with a creamy and rich laksa cream sauce to retain its natural moisture, added with konjac noodles to soak up the delectable laksa sauce, and delicately wrapped in paper to complete the dish.
